## PRESIDENT'S MESSAGE

By: **Cliff Whitehead**

### LOOKING TO THE FUTURE WITHOUT FORGETTING THE PAST

As with every New Year, it's important to look back on 2023 and ask, "What did I get right, what did I get wrong, and how can I improve next year?" Whether it is a hobby you are trying to master (pickleball!), a personal issue you are attempting to overcome (stop re-watching The Office), or a new avenue in your professional life (become a part-time Uber driver?), it's important for each of us to stop and take an assessment of our life.

The EBA is no different! At its monthly meetings, the EBA's Board of Directors regularly looks for ways to improve the EBA, which includes reviewing issues affecting bar associations across the country, issues affecting Indiana attorneys, and concerns at the local level or raised by our membership. As part of that process, each EBA President is permitted to appoint an EBA member—who last served on the Board more than seven years prior—to the current Board to provide a historical perspective. Shout out to Tim Born who is filling that role this year!

To further assist the Board in looking to the future without forgetting the past, on January 4, 2024, more than 25 past presidents of the EBA are coming together to discuss the outlook of the EBA. In doing so, my hope to come to a consensus on:

- The EBA's accomplishments and how it achieved the same;
- The EBA's missteps and how we can prevent repeating such history; and
- The EBA's future.

**If you have suggestions or comments that we should discuss, please contact me at (812) 424-7575 or [cwhitehead@zsws.com](mailto:cwhitehead@zsws.com) by January 3!**

With your help, we can stay focused on the ultimate goal: working together to ensure the EBA continues to prosper by serving its members, as the best bar association in the State.

In the words of Benjamin Button, **"Our lives are defined by opportunities, even the ones we miss."**

## Requesting Paid Public Defender Applicants

Great news! As of January 1, 2024, Public Defenders in Vanderburgh County are receiving raises (the first pay raise in 16 years). Also, the caseload per Public Defender has dropped. More pay for less cases. It does not get much better.

Vanderburgh County (Circuit and Superior Court and Public Defender's ("PD") Office) still needs Public Defenders. Many local attorneys responded to the critical need this past summer. If you were one of those attorneys, many thanks.

Part-time and full-time PD positions are available with benefits. Attorneys in Vanderburgh and surrounding counties are eligible.

Job vacancies are advertised at the law schools in Bloomington, Indianapolis, South Bend, Carbondale and Louisville as well as advertised through the Evansville Bar Association ("EBA").

Serving as a PD is both personally and financially rewarding. Additionally, all of us have affirmed upon being sworn in as Indiana attorneys (and locally at Law Day) at the end of the Attorney Oath through Rule 22 that "I will never reject, from any consideration personal to myself, the cause of the defenseless, the oppressed or those who cannot afford adequate legal assistance; so help me God." Ind.R.Att'y Adm. & Discip. 22. In part the reason for requesting your consideration.

If you are interested in a part-time or full-time PD position, please contact:

**Steve Owens, Chief Public Defender**  
(812) 435-5895

**Christal Hampton**  
(812) 435-5900

Thank you for your consideration!

## VLP News

By: Senior Judge Sheila Corcoran and Susan Vollmer

Happy New Year! We hope everyone had pleasant holidays and the new year will be a good one. VLP is happy to introduce Jordan Terrell as its newest Legal Navigator. Jordan will be helping share legal resources in our community and, with the help of Vanderburgh County's law librarian Kathleen Weston, has updated VLP's community resource flyer for legal resources and clinics in our area. The flyer is attached and is a useful resource to share with people in need or who are lost. It has information on several legal clinics that volunteers are welcome to sign up for if they are interested.

Navigation helps guide those who are unfamiliar with, or uneducated in, the legal system to appropriate resources and outcomes. This helps our systems to run smoother and hopefully helps our legal community operate as best as possible. The value and need of legal navigation helped spur the legal kiosk project in which legal kiosks have been placed around the state to help direct people in need to useful resources. You can find a map of where the kiosks are here: <https://indianalegalhelp.org/partner-resources/>

The Talk to a Lawyer Today CLE will be offered by the Evansville Bar Association Tuesday, January 9<sup>th</sup>. This will include an opportunity to sign up for a Talk to a Lawyer clinic to answer brief legal questions or to take a pro bono case. For more information on any of VLP's programs or how to volunteer, reach out to Max Happe at [max.happe@probonoindiana.org](mailto:max.happe@probonoindiana.org).

## LIBRARIAN'S CORNER: THANK YOU!

Thanks to everyone contributing in response to the Law Library Foundation's annual appeal! Your generous donations and ongoing commitment to the Foundation and the William H. Miller Law Library ensure that the people in this community have "...a quality law library readily accessible to all...at a substantial economic savings to everyone." In addition to this mission, the goals of the Foundation are to preserve, maintain, and enhance the Law Library of Vanderburgh County as a resource center for legal information that serves the courts, bar, and people of Evansville and the surrounding tristate area. You also make it possible for this library to remain one of only two county law libraries in the entire state.

To become a 2024 member of the Law Library Foundation, you may use the envelope enclosed in the November mailing or send your contribution to:
