Dear Ms. Vollmer,

On behalf of the students and faculty of the Randall T. Shepard Academy for Law and Social Justice, I would like to thank the Evansville Bar Association for their support of our program. We truly appreciate being awarded a John L. Sanders Memorial Grant from the Evansville Bar Foundation. This grant is currently being used to enhance the relationships that our students are developing with mentors in the community. The generous award from the Evansville Bar Foundation is allowing the Shepard Academy faculty to develop a unique educational experience for our students which is increasing their legal education and encouraging their involvement in the legal community.

I would also like to thank those individuals from the Evansville Bar Association who have agreed to serve as mentors for the Academy students. The relationships that these individuals are building are integral to the education that our students are receiving. These are the types of interactions that will truly make a difference for these young people and which will help shape their goals and aspirations for the future.

Again, thank you for your support of the Randall T. Shepard Academy for Law and Social Justice. With your support, together we can make the Academy an educational experience that causes a positive, enduring impact for our students.

Sincerely,
