Non-Trivial Trivia: 10 Years of Doing Good

In 2011, the Legal Aid Society and the Volunteer Lawyer Program suffered large budget cuts as a result of low interest rates on IOLTA accounts and other economic pressures. Recognizing the importance of these programs, the Board of Directors of the Evansville Bar Association began looking for opportunities to assist in funding these important organizations.

The decision was made to have a special fund-raising event to support them. This was the genesis for the first Trivia Night. Since that first event ten years ago, more than \$60,000 has been raised at Trivia Nights to support their programs. The Volunteer Lawyer Program and Legal Aid Society of Evansville split these proceeds 50/50.

As you might imagine, a lot of work goes into planning a Trivia Night. While of course the EBA staff is heavily involved, we cannot say thank you enough also to Scott Wylie, Kevin Gibson and the Access to Justice Committee for their tireless leadership related to this event. Even though this year's Trivia Night will be again virtual, I am sure Scott and everyone involved will make it just as fun as it was last year.

I would ask that you please get your team together and register for this fun and rewarding event. Consider also sponsoring a round. When you sign up, don't forget to buy your mulligan package. That will certainly come in handy if you are gunning for the \$500 top prize. With that said, one of my favorite parts of the night is the tradition of the winning team donating the money back to the VLP and Legal Aid Society. I believe I have been a participant in every or almost every Trivia Night, I and do not remember a team not donating the prize money back.

I think it says great things about our Bar that we can come together for an evening of fun and competition with the main goal of raising money for these great organizations. The bragging rights of being a Trivia Night champion are not bad either. Heck, even if you come in last place, you still get a sweet prize.

This year's event will be on October 14. By the time this is distributed, there will be limited time to sign up before registration closes on October 11 at noon. Get your team of eight together now to beat the deadline! If you do not have a full team, do not worry. Go ahead and sign up anyway. The Access to Justice Committee will combine smaller teams together. To register online, go to this link <https://forms.gle/tpbFmf4EBHWFQeY77>. If you have any questions, feel free to call or email Julie at (812) 463-3201 or julie@evvbar.org. I look forward to seeing you all at 5:15 in the game portal, and may the best team (or at least the team with the most trivia knowledge) win!

VLP News

By: Senior Judge Corcoran and Susan Vollmer

Despite the ongoing pandemic, VLP continues to increase access to justice both in-person and virtually. These efforts improve court efficiency by ensuring properly drafted pleadings, creating informed pro se litigants, and helping the public understand the justice system. They also relieve some of the burden on our intake systems operated by the EBA Lawyer Referral Service, the Legal Aid Society of Evansville, and Indiana Legal Services.

So, when you are looking for a way to volunteer some pro bono time, you might want to consider some of these other opportunities that complement case placements. You can now participate in most of these opportunities virtually, making it even easier to help.

- ◆ VLP helps operate Indiana Free Legal Answers. Take a look at the site and consider registering so you can answer questions: <https://indiana.freelegalanswers.org/>.
- ◆ We offer two monthly Talk to a Lawyer phone hotline clinics – on the first Thursday of the month at 4:30 p.m. and the third Tuesday of the month at 11:30 a.m. Volunteering for TTAL is easy; just contact Scott Wylie at vlpwylie@sigeom.net.
- ◆ We also offer weekly in-person Talk to a Lawyer Clinics at the Vanderburgh County Law Library on Thursdays at 11:00 a.m. These clinics now serve approximately 35 self-represented litigants monthly. Volunteering for a clinic is easy; just contact Scott Wylie at vlpwylie@sigeom.net.

LRS

DID YOU KNOW...

...the EBA has a Lawyer Referral Service? Let us refer potential clients to you! On average we receive 125 calls per month.

For more information on how to become a member of the LRS, contact Ashley at Ashley@evvbar.org or (812) 463-3201.

In Memory Of...

Members of the legal community who have passed away are remembered by friends and colleagues with contributions to the John L. Sanders Memorial—Evansville Bar Foundation.

Thank you for your contributions in memory of...

Sonny Reiss

Heath Tuley
President

“The name of our foundation is The John L. Sanders – Evansville Bar Foundation. It has recently come to my attention that many of our newer members have no idea who John L. Sanders was. I would like to correct that. John L. Sanders was born September 3, 1896 in Chandler, Indiana. He moved to Evansville in 1923 and established a law practice. He actively maintained that practice past the age of 100 years. Mr. Sanders always wore a suit. He drove (sometimes on the sidewalks), got around on his own, and did things on his own terms. One of his favorite sayings was ‘Take good care of the body. It’s just a machine to carry the head around.’ In addition to practicing law, he was an avid bee keeper. At his death, Sanders’ widow, Evelyn, endowed the EBA with \$1,000,000.00, which was used to form The John L. Sanders Memorial – Evansville Bar Foundation.”

Over 20 years ago, Sanders’ widow Evelyn gave the endowment to the EBA creating the EBF. Approximately 10 years ago, Judge Heldt wrote those words for the Summation, and they are worth repeating. Without your continued generosity, the EBF would have run dry a long time ago. To help ensure that the EBF can continue Sanders’ legacy through its mission for another decade, we rely on donations from you, and while none of us may have the ability to give to the EBF to the extent that Sanders’ widow, Evelyn, did, every little bit helps.

LIBRARIAN'S CORNER: THANK YOU TO THE EVANSVILLE BAR FOUNDATION

Thank you to the John L. Sanders Memorial – Evansville Bar Foundation for your generous grant to the William H. Miller Law Library, making it possible for the people in this community to have access to the *pro se* navigation clinic which meets on the second and fourth Thursday of the month in the law library. This support, in conjunction with the work of the Pro Bono Indiana/Volunteer Lawyer Program of Southwestern Indiana, makes it possible for self-represented litigants involved in any civil matter to seek guidance on how to successfully navigate the court system, obtain the appropriate *pro se* pleadings, access self-help materials located in the law library, and take advantage of online legal resource materials. Many thanks again for your ongoing support!

As always, I welcome your questions, comments, and suggestions. Please feel free to call me, Kathleen Weston, at (812) 435-5175 or send me an email (kweston@vanderburghgov.org).

IN CASE YOU MISSED IT...

Every year in September, the nation celebrates Constitution Day. It is a day devoted to our nation's key governmental document. To observe this day, the Editorial Board of the Evansville Bar Association provides an article focusing on one or more aspects of the Constitution. This year, we focus on the 15th Amendment, which prohibits the federal government and each state from denying certain voting rights.

WE ARE THE EBA

Nathan Bishop, Partner, Curt Hamilton Injury Law

Six years of practice experience in personal injury and Social Security disability.

Why did you become an attorney? I was focused my undergraduate work in legal history and found that our courts have the power to shape our society for the better.

Why is it important to be a member of the EBA? Our profession has a tendency to isolate themselves in their work. The EBA offers an opportunity for members to find a community of people with the same issues they deal with on a daily basis.

What is the most valuable asset the EBA has to offer? The most valuable part of membership in the EBA is the ability to create connections with lawyers outside of your own practice area. We all need those connections when our clients need help with issues outside of our own comfort zone.

What was your first job? Growing up, my family owned a small country store in rural Kentucky.

Unloading a delivery truck and stocking their shelves was my first crash course in working.

Tell me about your family. I am married to Emily Patton. Yes, she kept her last name and I encouraged her to do so. She is the eCommerce Manager at Escalade Sports. We have two English Setters, Winston and Ivy, and a long-term foster dog named Brady that is recovered from crippling anxiety triggered by years of neglect.

What is something on your bucket list you've completed? What do you still want to do? I have spent three summers in Europe, primarily in the Czech Republic with visits to Poland, Austria, Hungary, and Slovakia. A few years ago, I had the opportunity to share the Christmas Market of Prague with my wife. We are still actively working to visit all of the National Parks.

Curt Hamilton, Curt Hamilton Injury Law

Trial lawyer in Indiana and Kentucky for more than 20 years. I co-founded Bach Hamilton LLP in 2004, then started Curt Hamilton Injury Law in 2011.

Why did you become an attorney? I was a history and political science major and was waiting tables and selling life insurance after college. It seemed like the logical next step.

Why is it important to be a member of the EBA? I've been a member since 1998, and I have found that it is a wonderful way to meet other attorneys, share stories, and build relationships. I am one of the very few Evansville-area lawyers who is comfortable and actively practicing in Kentucky and Indiana courts. My Evansville colleagues call me for Kentucky cases, and my Henderson colleagues call me for Indiana cases. Which leads me to . . .

What is the most valuable asset the EBA has to offer? Networking opportunities, without question, is the best thing about the EBA for those of us who do not have primary offices in Evansville.

What was your first job? Wow – detassling corn in Northern Illinois as a 14 year old, and then the next summer I was a wash boy at a car dealership. I've been a bus driver, server, catering assistant, insurance salesman, lifeguard, assembly line worker and drilling rig operator as well. All were good training for being able to relate to our clients. And good incentive to go to law school.

Tell me about your family. My wife, Emily, and I have been married for 31 years. We have four grown children, two children-in-law, two dogs, six grand-dogs and 1 grand-cat. We keep pressing our children to produce some grandchildren, but to no avail. Yet. Emily is an occupational therapist and did home health therapy for patients on Evansville's west side for many years, but now is the owner of Sunshine Wellness, a weight loss and fitness center in Henderson. We are both far too active in community non-profit leadership activities. We also travel as much as we can, mostly to warm places with clear water with our scuba gear stuffed into our bags.

What is something on your bucket list you've completed? What do you still want to do? This summer I was fortunate enough to play Pebble Beach with my father-in-law, a certified golf addict. It was better than advertised. I've also been scuba diving with manta rays at night, another bucket list check-off. As far what I still want to do? I am a car enthusiast, like Ross Rudolph; I want to drive Laguna Seca road course in a fast car. Several times.

Shannon King, Associate, Curt Hamilton Injury Law

I've been an attorney for three years and I practice in personal injury and workers' compensation.

Why did you become an attorney? Throughout middle school and high school, I volunteered with organizations that helped handicapped and elderly individuals. I went to law school thinking I wanted to get involved with elder law. However, I found I just really enjoy providing a voice for anyone that needs a little help along the way.

Why is it important to be a member of the EBA? Relationships! Also, the EBA does a great job of keeping me up to date on professional requirements... like CLE credits.

What is the most valuable asset the EBA has to offer? As a younger lawyer, the experience and resources of the attorneys involved in the EBA is invaluable. Making friends with mentors that want to share their knowledge is much more beneficial and sometimes less embarrassing than learning things the hard way.

What's the best piece of advice you've ever been given? If you need help, ask. I am the last person that would want to take this advice, but I can honestly say only good things have happened when I swallowed my pride and did it anyway. I think this one is important to keep in mind on both a personal and professional level.

What celebrity would you like most to meet for a cup of coffee? Robert Downey Jr.

When you're not working, what are you most likely to be doing? Either dancing or spending time with my dogs (my 100-pound black lab pony and newly adopted shepherd mix).

If you could brush up on a skill or a work on a new one, what would it be? I'd love to brush up on my horseback riding skills. These days I only get to ride when I travel and seek out a destination. A couple weeks ago I was horseback riding on the beaches of an island.
